

# ESSAY FOR OCIP

When you return for the Booster Session of OCIP, you will be required to submit an essay based on what is currently going on in your life. **(Here and Now)** This essay will be collected before class begins and will be read by the staff of OCIP. Upon completion of this session your essay will be returned. Your essay is **confidential**. The purpose of this essay is for you to clearly define what has taken place in your life since completing the 5-day program.

1. What has happened in your life since attending OCIP?
